From the desk of Rep. Rogers

Dear Neighbor,

Greetings from the Ohio House of Representatives and happy first full month of summer! Please allow this legislative update to provide you with insight into the work that I have been doing.

I took time recently to survey the damage caused by the tornados and severe storms that impacted northwest Ohio during the month of June. The storms caused a great deal of damage, but northwest Ohioans are resilient and communities have rallied around those who were impacted. I have been advocating at the Statehouse to get help for our region and will continue to do so.

On July 4th, we celebrated Independence Day. This nation was founded upon the ideals of freedom, equality, and justice, values that we should all embrace and celebrate. The Fourth of July serves as a reminder of why this country, and state, is such a special place. While we should all celebrate with cookouts and pool parties, we should also remember the sacrifices that have been made that allow us the freedoms to enjoy the things that we all love. The fight for democracy is ongoing and continues. You can do your part by staying informed on key issues and exercising your right to vote. Be sure to educate yourself on Issue 1 and Vote "No" on August 8th.

If there is anything my office can do please reach out to us by email at Rep44@Ohiohouse.gov or by phone at (614) 466-1401. Please do not hesitate to contact my office with any questions, comments or concerns.

Sincerely,

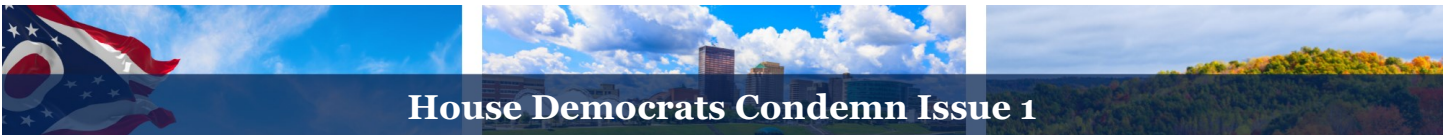

Elgin Rogers, Jr.

House Democrats Condemn Issue 1

The August 8th Special Election regarding Issue 1 is fast approaching. Make sure your voice is heard by voting “NO” to stop special interests from ending majority rule. Protect our rights and the sacred principle of “one person, one vote,” instead of handing power over to out-of-touch politicians. #VoteNoInAugust.
