Special Agent in Charge Angela Byers
The Federal Bureau of Investigation
425 W Nationwide Blvd
Columbus, OH 43215

Dear Special Agent Byers,

We are writing at the direction of Franklin County Prosecutor Ron O'Brien who implied to us that as the Special Agent in Charge of the Cincinnati Division of the Federal Bureau of Investigation (FBI), you would have insight into the matter involving former Ohio Speaker Cliff Rosenberger's sudden resignation.

Ohioans have been left to wonder whether Mr. Rosenberger's travel paid for by outside groups, spending, campaign contributions, and other ethically questionable conduct has corrupted the people's work in the Ohio General Assembly. As such, we have been exploring every avenue possible to seek answers to those questions.

As you know, this is the first time in Ohio history that allegations of corruption has resulted in a Speaker's resignation. We request that you provide us with any information regarding any ongoing or potential investigation involving former Speaker Rosenberger's resignation, and the illicit forces that have been corrupting the work of the Statehouse.

The people of Ohio deserve to know the truth.

Sincerely,
